American Psychosomatic Society

69th Annual Scientific Meeting

March 9 – 12, 2011

San Antonio, TX

Dear Colleagues:

The APS Council is very pleased to present the following slate of individuals for the 2011 APS election. The candidates were selected on the basis of a strong record of service to the APS and superb leadership skills. Serious consideration to several diversity-related issues in the selection process were given. These included gender, membership in underrepresented groups, level of seniority, nationality, disciplinary affiliation, and representation of current goals of the Society with respect to dissemination. More detailed descriptions of each individual will be shared when the election material is sent closer to our Annual Meeting.

President-Elect:

Martica Hall, PhD
